Murphy Veterans Tribute

**Honoring All Who Have Served
Murphy, Texas**

What is the Murphy Veterans Tribute?

In early 2017 a group of Murphy Chamber of Commerce members & friends had an informal meeting to discuss a possible Tribute/Memorial to Veterans located in the City of Murphy. A plan was presented on August 15, 2017, to the Murphy City Council where they dedicated a plot of 100' x 100', in the edge of the City Park in Murphy.

From that moment on, this group of citizens devised a plan of action, formed a 501c3 Non-profit organization in 2020 and began making plans to erect a Tribute to all Veterans and Active service men and women in the U.S.A.

The next few years were dedicated to raising monies toward this project. We were proud to have some wonderful GALA events for 3 out of the 5 years, Grants from the City of Murphy, and some very generous donors. All fund raising basically ceased or hindered our efforts with the Covid issues.

Because of rising costs of construction and materials, in 2022 we decided to work on a new design of The Project. Our Engineer and Project Manager came up with a re-design, which would include our original footprint for the 100' x 100' plat of land while substantially lowering the cost.

Our goal continues to be to Honor all who have served our country.

Murphy Veterans Tribute

Honoring All Who Have Served
Murphy, Texas

With our re-design recently in place, we feel that we will have a *Beautiful* park in Murphy, Tx. to honor veterans everywhere, with the support of businesses, institution/corporate donations, individuals, and the City of Murphy.

With your support, we hope to begin to *"Move the dirt to Raise the Flags"* in the near future!

Thank you!

Mary Pat Elledge, President

Murphy Veterans Tribute Association and Murphy Resident
